✓ Who It Is For

- ✓ People seeking organic mattress materials
- ✓ Those needing medium firm support
- ✓ Eco-conscious buyers
- ✓ Couples looking for shared support
- ✓ Side sleepers requiring pressure relief
- ✓ Back sleepers needing spinal alignment

✗ Who It Is Not For

- ✗ Individuals over 125 lbs weight limit
- ✗ Those needing extra firm support
- ✗ People preferring plastic packaging
- ✗ Users requiring immediate setup
- ✗ Individuals with latex allergies
- ✗ Those prioritizing minimal cost

⚖️ Trade Offs to Consider

- Higher cost than standard mattresses
- Requires unpacking before use
- Limited weight capacity for heavier users
- Slower delivery compared to plastic-packed options
- No built-in cooling features
- Limited color options available

⇄ How It Compares

- Less eco-friendly materials than pure organic options
- Higher cost than standard mattresses
- Slower delivery compared to plastic-packed options
- No built-in cooling features
- Limited color options available
- Requires unpacking before use

Choose This If...

- ✓ Prioritize organic materials
- ✓ Need medium firm support
- ✓ Seek eco-friendly certifications
- ✓ Willing to pay for sustainable packaging
- ✓ Value long-term health benefits
- ✓ Need shared support for couples

Skip This If...

- ✗ Require extra firm support
- ✗ Over 125 lbs weight limit
- ✗ Prefer plastic packaging
- ✗ Need immediate setup
- ✗ Prioritize minimal cost
- ✗ Have latex allergies
