**120-night in-home return**

## Who It Is For

-  People with back pain seeking spinal alignment
-  Hot sleepers needing temperature regulation
-  Those prioritizing motion isolation
-  Individuals needing medium firm support

## Who It Is Not For

-  People requiring softer mattress firmness
-  Individuals over 108.5 lbs weight limit
-  Those avoiding latex materials
-  Customers needing same-day delivery

## Trade Offs to Consider

- Higher price vs. traditional innerspring
- Weight capacity limitations
- Trial period duration
- Latex material sensitivity

## Users Say

### ● POSITIVES

- ✓ Excellent pressure point relief
- ✓ Cooling gel memory foam layers

### ● COMPLAINTS

- ⚠ Weight limit may not suit all users
- ⚠ Delivery takes 5+ business days

## How It Compares

- Better support than standard innerspring
- Warmer than air-cooled memory foam
- More expensive than budget foam options

## Choose This If...

- ✓ Need pressure relief for back pain
- ✓ Prioritize medium firm support
- ✓ Want 120-night trial period

## Skip This If...

- ✗ Require softer mattress firmness
- ✗ Exceed weight capacity limits
- ✗ Need immediate delivery
