Who It Is For

-  Needs spinal alignment support
-  Shares a bed with a partner
-  Feels overheated during sleep
-  Prefers medium firmness

Who It Is Not For

-  Requires firmer mattress support
-  Prefers softer mattress feel
-  Needs simpler care instructions

Trade Offs to Consider

-  Heavy weight (112 lbs) for moving
-  Requires spot cleaning only
-  Limited cooling compared to specialized models

How It Compares

-  Fewer layers than some premium hybrids
-  Less cooling than gel-infused options
-  Higher weight than standard mattresses

Choose This If...

- ✓ Need medium spinal support
- ✓ Want zoned pressure relief
- ✓ Require 100-night trial

Skip This If...

- × Need firmer mattress support
- × Prefer simpler care
- × Have mobility challenges with weight
