

DOWNCOOL 3 Inch Queen Cooling Mattress Topper

QUICK BUYER GUIDE

Hot sleepers seeking cool, supportive comfort for queen-sized mattresses

At a Glance Specs

MATERIAL

Bamboo viscose and polyester blend

SIZE

Queen mattress dimensions

COOLING

OEKO-TEX certified cooling technology

WEIGHT

16.76 pounds for lightweight comfort

DIMENSIONS

80 x 60 x 3 inches for snug fit

CARE

Machine washable for easy maintenance

THICKNESS

3-inch memory foam for balanced support

CERTIFICATION

OEKO-TEX safety standards compliance

Who It Is For

- ✓ Hot sleepers needing cooling comfort
- ✓ Individuals with back/shoulder/hip pain
- ✓ Queen mattress users seeking support
- ✓ Those prioritizing OEKO-TEX certified materials
- ✓ Easy-care mattress toppers
- ✓ People wanting pressure relief

Who It Is Not For

- ✗ Those needing water-resistant materials
- ✗ Children or teens
- ✗ Those requiring extra thickness
- ✗ Non-cooling mattress topper users
- ✗ Users needing dry-clean only options

Trade Offs to Consider

- Not water-resistant
- Requires ventilation before first use
- Machine wash only
- Limited thickness (3 inches)
- Not suitable for very thick mattresses
- No permanent installation

How It Compares

- Cooling vs. non-cooling toppers
- Queen size vs. other sizes
- OEKO-TEX certified vs. non-certified
- 3-inch thickness vs. thicker options
- Machine washable vs. dry-clean only

Choose This If...

- ✓ Need cooling for hot sleepers
- ✓ Require queen-sized support
- ✓ Prioritize OEKO-TEX certification
- ✓ Want easy-care maintenance

Skip This If...

- ✗ Need water-resistant materials
- ✗ Require extra thickness
- ✗ Prefer non-cooling options
- ✗ Need dry-clean only care
