80"L x 76"W x 12"H

Who It Is For

- ✓ People with back pain seeking spinal alignment
- ✓ Sleepers needing temperature regulation
- ✓ Those wanting a 365-night trial
- ✓ Eco-conscious buyers avoiding harmful chemicals

Who It Is Not For

- ✗ Individuals preferring softer mattress feel
- ✗ Those without space for mattress delivery
- ✗ Buyers requiring immediate delivery
- ✗ People needing color options beyond standard

Trade Offs to Consider

- Heavier than standard foam mattresses
- Requires box delivery setup
- Limited color options available
- No lifetime warranty included

How It Compares

- More layers than standard foam mattresses
- Better cooling than traditional innerspring
- Longer trial than most memory foams
- Similar support to premium hybrid models

Choose This If...

- ✓ Need back pain relief with spinal support
- ✓ Prioritize cooling sleep environment
- ✓ Want 365-night risk-free trial
- ✓ Seek eco-friendly chemical-free mattress

Skip This If...

- ✗ Prefer softer mattress feel
- ✗ Cannot wait for box delivery
- ✗ Need immediate delivery
- ✗ Require color customization
