WARRANTY

Limited warranty for frame and mattress

Who It Is For

-  Hosts needing temporary guest beds
-  Students in dorms with space constraints
-  Office workers requiring nap space
-  Homeowners with small apartment layouts
-  Travelers needing compact sleeping solutions

Who It Is Not For

-  Those requiring permanent bed setups
-  Users needing weight capacity over 300 pounds
-  Individuals without space for folded storage
-  People prioritizing long-term mattress comfort

Trade Offs to Consider

-  Assembly required for setup
-  Limited comfort for extended use
-  Weight limit may restrict heavy users
-  No built-in storage compartments
-  Requires dedicated space for folded position
-  Mattress cannot be customized

How It Compares

- Portable vs. permanent bed frame
- Steel durability vs. lightweight materials
- Space-saving fold vs. standard bed size
- Memory foam comfort vs. basic mattress
- Quick setup vs. complex assembly
- Limited warranty vs. extended coverage

Choose This If...

- ✓ Need temporary sleeping space
- ✓ Value space-saving design
- ✓ Require durable steel frame
- ✓ Have limited storage area

Skip This If...

- ✗ Need permanent bed solution
- ✗ Require weight capacity over 300 pounds
- ✗ Prioritize mattress customization
- ✗ Need extended warranty coverage
