Who It Is For

- ✓ Parents needing a safe crib for newborns
- ✓ Those wanting easy setup without tools
- ✓ Users requiring breathable mesh visibility
- ✓ Parents prioritizing adjustable height settings
- ✓ Those needing safety straps and rounded corners
- ✓ Users looking for a lightweight crib

Who It Is Not For

- ✗ Parents needing a full-sized crib
- ✗ Those without space for wheels
- ✗ Users requiring non-adjustable height
- ✗ Those without safety straps
- ✗ Parents needing a heavier crib
- ✗ Users wanting a non-removable mattress

Trade Offs to Consider

- Limited to newborns (0-6 months)
- Requires assembly (no tools)
- Not suitable for long-term use
- Limited color options (only grey)
- No built-in storage
- No additional accessories

How It Compares

- Standard cribs: No wheels, less adjustability
- Portable cribs: Less sturdy, no mesh
- Full-sized cribs: Smaller, no wheels

Choose This If...

- ✓ Need a safe, adjustable crib with easy setup
- ✓ Prioritize breathable mesh visibility
- ✓ Require safety straps and rounded corners
- ✓ Looking for a lightweight crib

Skip This If...

- ✗ Need a full-sized crib
- ✗ Require long-term use
- ✗ Want additional storage
- ✗ Need a non-removable mattress
