SIZE

78"L x 25"W inflatable surface

WEIGHT

1.89 lbs with carry bag

MATERIAL

Nylon and TPU waterproof fabric

DURABILITY

300kg load capacity rated

INFLATION

Foot pump with 20s inflation time

INCLUDES

Carry bag, repair kit, user guide

Who It Is For

- ✓ Kids and families for camping trips
- ✓ Hikers needing lightweight gear
- ✓ Outdoor enthusiasts for backpacking
- ✓ Camping beginners seeking comfort

Who It Is Not For

- ✗ Heavy campers requiring extra support
- ✗ Users needing electric pumps
- ✗ Those prioritizing thick mattress padding

Trade Offs to Consider

- Moderate firmness may not suit all sleepers
- Foot pump requires practice
- Limited color options (only blue)
- Repair kit included but limited patches

How It Compares

- Lighter than traditional air mattresses
- More compact than standard camping pads
- Includes repair kit unlike many models
- Faster inflation than manual pumps

Choose This If...

- ✓ Looking for lightweight durable camping pad
- ✓ Need compact easy-to-carry sleeping solution
- ✓ Seeking pad with built-in pump and repair kit

Skip This If...

- ✗ Require thicker firmer mattress
- ✗ Need model with electric inflation
- ✗ Limited color preferences beyond blue
