**1.59 pounds for single mattress storage**

#### DURABILITY

**Reinforced handles with double-weight capacity**

#### USAGE

**Stores mattresses, pillows, and camping gear**

#### PORTABILITY

**Tri-fold design with side handles for easy carrying**

## Who It Is For

---

- ✓ Frequent campers needing portable mattress storage
- ✓ RV owners transporting foldable mattresses
- ✓ Hotel staff storing guest bedding
- ✓ Outdoor enthusiasts traveling with camping gear

## Who It Is Not For

---

- ✗ Users with thick mattresses exceeding 4" thickness
- ✗ Those requiring fully waterproof storage
- ✗ Commercial mattress storage facilities
- ✗ People needing lightweight portable solutions

## Trade Offs to Consider

---

- Zipper not waterproof, risk of water damage in rain
- Limited capacity for oversized or multiple mattresses
- Handles not designed for heavy-duty lifting
- No built-in padding for delicate mattress surfaces

## How It Compares

---

- Stores one 4" single mattress vs. larger bags for twin mattresses
- Reinforced handles vs. standard fabric bags
- Water-resistant coating vs. non-waterproof alternatives
- Portable tri-fold design vs. rigid storage containers

### Choose This If...

---

- ✓ Need portable storage for foldable mattresses
- ✓ Prioritize durability over waterproofing
- ✓ Require multi-purpose camping gear storage
- ✓ Looking for lightweight transport solutions

### Skip This If...

---

- ✗ Require fully waterproof mattress encasement
- ✗ Need storage for multiple mattresses
- ✗ Prioritize ultra-lightweight materials
- ✗ Expect built-in mattress padding
