

Sven & Son Gel Memory Foam Mattress, SSR12K, King Size

QUICK BUYER GUIDE

Looking for a cooling, medium-firm mattress? This gel-infused, CertiPUR-US certified mattress offers pressure relief and breathability for all sleep positions.

At a Glance Specs

SIZE

King size fits one to two people

WEIGHT

101 pounds for easy delivery

MATERIALS

Rayon and polyester blend cover

CERTIFICATIONS

CertiPUR-US certified for safety

SETUP

Compressed delivery with 120-night trial

COMFORT

Gel-infused foam for heat dissipation

Who It Is For

-  Needs cooling for hot sleepers
-  Prefers medium-firm support
-  Wants pressure relief for side sleepers
-  Seeks fiberglass-free construction

Who It Is Not For

-  Looking for firm support
-  Needs quick setup without delivery
-  Prefers no-gel memory foam
-  Requires eco-friendly certifications

Trade Offs to Consider

-  Less firm than standard mattresses
-  Higher weight than some models
-  No built-in motion isolation
-  Limited color options available

How It Compares

- Cooling tech vs. traditional memory foam
- CertiPUR-US certification vs. generic foams
- Medium firmness vs. firm support options
- Compressed delivery vs. pre-assembled setups

Choose This If...

- ✓ Need cooling for hot sleepers
- ✓ Want medium-firm pressure relief
- ✓ Seek CertiPUR-US certified safety
- ✓ Accept 120-night trial period

Skip This If...

- ✗ Require firm support only
- ✗ Need immediate setup without delivery
- ✗ Prioritize eco-friendly certifications
- ✗ Want no-gel memory foam options
