

Sweetnight Stratos Hybrid Mattress - 12 Inch King Size

QUICK BUYER GUIDE

Ideal for couples seeking balanced support and motion isolation

At a Glance Specs

MATTRESS TYPE

Hybrid with foam and pocketed coils

SIZE

King (80" x 76")

FIRMNESS

Medium firm for pressure relief

WARRANTY

10-year warranty for durability

MOTION ISOLATION

Pocketed coils reduce movement transfer

BREATHABILITY

Quilted fabric for airflow and comfort

WEIGHT

101.6 pounds for sturdy support

EXPANSION TIME

48-72 hours for full shape recovery

Who It Is For

-  Couples needing motion isolation
-  Individuals with pressure point issues
-  People wanting balanced support
-  Those needing a medium firm feel
-  Users with a standard king frame
-  Individuals seeking breathability

Who It Is Not For

-  People with severe back pain
-  Those needing a very firm mattress
-  Individuals with extreme temperature sensitivity
-  Users with a non-standard frame
-  People with allergies to polyester
-  Those needing immediate expansion

Trade Offs to Consider

-  May take days to fully expand
-  Not ideal for heavy users
-  Odor may persist initially
-  Not suitable for extreme temperatures
-  Requires ventilation for odor
-  Limited warranty for non-ideal fit

Users Say

● POSITIVES

- ✓ Good support for back and shoulders
- ✓ Quiet and comfortable for couples
- ✓ Breathable fabric keeps it cool
- ✓ Easy to set up on standard frames
- ✓ Feels firm but not too hard

● COMPLAINTS

- ⚠ Odor takes a few days to go away
- ⚠ Not suitable for very heavy users
- ⚠ Expansion time may be inconvenient
- ⚠ Not ideal for extreme temperature preferences
- ⚠ Warranty limited to 10 years

How It Compares

- Better motion isolation than standard foam
- More support than memory foam only
- Less expensive than luxury hybrid options
- More breathable than standard innerspring
- Fewer layers than premium models
- Worse odor management than gel-infused options

Choose This If...

- ✓ You need motion isolation for couples
- ✓ You want balanced support and comfort
- ✓ You need a medium firm feel
- ✓ You have a standard king frame
- ✓ You want breathability and airflow
- ✓ You need a 10-year warranty

Skip This If...

- ✗ You need a very firm mattress
- ✗ You have severe back pain
- ✗ You need immediate expansion
- ✗ You have allergies to polyester
- ✗ You need extreme temperature control
- ✗ You need a warranty beyond 10 years
